

Limited Warranty

Product returned for a warranty claim must be returned to the DISTRIBUTOR from which it was purchased, accompanied by a completed warranty form.

Platinum Driveline, Inc. warrants that our products are free from defects in both workmanship and materials. Clutch sets are warranted for a limited period of 24 months or 24,000 miles from the date of installation (whichever occurs first), provided the clutch, disc, release bearing and pilot bearing are properly replaced, and the flywheel is properly resurfaced or replaced.

This warranty **DOES NOT** cover failure or malfunctions resulting from;

- High performance or racing purposes
- Accidents
- Improper application or installation
- Modification/alteration
- Improper servicing
- Tampering
- Normal wear and tear
- Abuse

We reserve the right to inspect any products in question and to make a judgment on the warranty claim. Product returned for a warranty claim must be returned to the distributor from which it was purchased, accompanied by a completed warranty card; clutch sets must also include an invoice showing that the flywheel was resurfaced or replaced. Shipping charges must be prepaid by the customer.

THERE ARE NO WARRANTIES OTHER THAN AS SPECIFICALLY REFERENCED IN THIS DOCUMENT, AND WE DISCLAIM, WHETHER EXPRESS OR IMPLIED, ANY AND ALL WARRANTIES OF MERCHANTABILITY AND/OR WARRANTIES OF FITNESS FOR USE FOR A PARTICULAR PURPOSE.

Under no circumstances shall we be liable for indirect, consequential, incidental or punitive damages regardless of whether such claim is based upon breach of contract, tort, strict liability or otherwise.

This warranty **DOES NOT** cover the following:

- Products returned without all original components.
- Products that have been altered, improperly installed or damaged by accident, negligence or misuse.
- Products damaged by excessive heat caused by slipping.
- Clutches with bent or broken drive straps.
- Oil- and grease-contaminated clutches or discs.
- Discs with bent or broken retainer plates, broken or missing damper springs or damaged hub splines.
- Discs or release bearings installed backwards.

Consider replacing the following parts since in all cases they cannot be inspected for damage visually: clutch cable, slave cylinder, master cylinder.

*For application, diagnostic or installation questions, contact Platinum Driveline.

*NO PERSON IS AUTHORIZED BY Platinum Driveline, Inc. TO MODIFY OR ADD TO THIS LIMITED WARRANTY.

Limited Warranty Form

Product returned for a warranty claim must be returned to the DISTRIBUTOR from which it was purchased, accompanied by this completed warranty form.

Platinum Driveline, Inc. warrants that our products are free from defects in both workmanship and materials. Clutch sets are warranted for a limited period of 24 months or 24,000 miles from the date of installation (whichever occurs first), provided the clutch, disc, release bearing and pilot bearing are properly replaced, and the flywheel is properly resurfaced or replaced.
